

THE UNIVERSITY OF BRITISH COLUMBIA

Thank you for your interest in the University of British Columbia (UBC)! UBC is an outstanding place for students to learn, grow, and develop. As one of the top 25 public universities in the world, UBC combines award-winning faculty and ground-breaking research with a flexible, student-centred learning environment that includes innovative and interdisciplinary program options. The result is a modern learning experience that will motivate and inspire you to pursue your unique interests and create a bright and rewarding future. At UBC you'll study alongside students and faculty from more than 150 countries. UBC has two inclusive, intercultural campuses with student spaces and support networks to make everyone feel at home.

Here are a few ways to explore life and learning at UBC:

- 1) Browse through the [**2023 Prospective Undergraduate Student Guide**](#).
- 2) Visit [**you.ubc.ca**](https://you.ubc.ca) and the [**Admissions Blog**](#) to learn more about UBC.
