

STFX

UNIVERSITY AS IT IS MEANT TO BE

ST. FRANCIS XAVIER UNIVERSITY

• **VIEWBOOK 2022/23** •

When COVID-19 brought in-person learning to a stop around the world, our students were right where they were meant to be... in the classroom.

Since 1853, we have been committed to pairing the highest quality academics with an extraordinary culture of engagement. It's why students come. So it was only natural for us to meet the challenge posed by COVID-19 in a way that would keep our students safe while giving them the collective, immersive experience they need, and deserve. By committing to this goal, we were able to keep 75% of our learning in-person—the highest percentage in Canada—at a time when most universities moved all of their classes to an online format. By working together, our students, staff, and faculty truly exemplified what it means to be a Xaverian. stfx.ca

Safely together.

THE X-RING
STANDS
APART AS AN
INTERNATIONAL
SYMBOL OF
EDUCATED
MINDS.

And a magnet for great ones.

It is a symbol that you have graduated with one of the most respected university degrees.

Just as important, it reflects memories made, laughs shared, and horizons that have been forever expanded.

StFX will change your life. And it all starts with your decision to **join the Xaverian family.**

A small university that focuses on the big picture.

At StFX, you will join a community of young, engaged citizens. Why should you choose our university? Because we will equip you with the skills you need to **make a difference in the world.**

The StFX Commitment:

TO EXCEPTIONAL TEACHING

StFX employs full-time faculty, almost all with PhDs. Why does this matter? It means you will learn directly from professors—accomplished scholars and experts in their fields, not teaching assistants.

...

TO INCREDIBLE RESEARCH OPPORTUNITIES

StFX student researchers work alongside their professors on real-world projects, something other universities typically offer only at the graduate level—first-hand experience that gives you a leg up in your career, graduate or professional school.

...

TO FOSTER OUTSTANDING STUDENTS

Our faculty and staff want you to excel. They are here to support you along your path of discovery. They will not just know you by name—they will take an active role in your success. It is this personalized experience that will make your time at StFX so exceptional.

WHERE WE EXCEL

LEADERSHIP

Learn what it means to lead at the same university that's produced countless political, business and community leaders.

CITIZENSHIP

StFX students engage with the world around them. They build the world they want to see.

COMMUNITY

Small class sizes. A residential campus. And an alumni network of more than 40,000 members strong.

StFX is recognized as a leading Canadian university for:

- Employment preparation
- Helping students think critically
- Professors knowing their students' names
- Having the most engaged alumni network in Canada

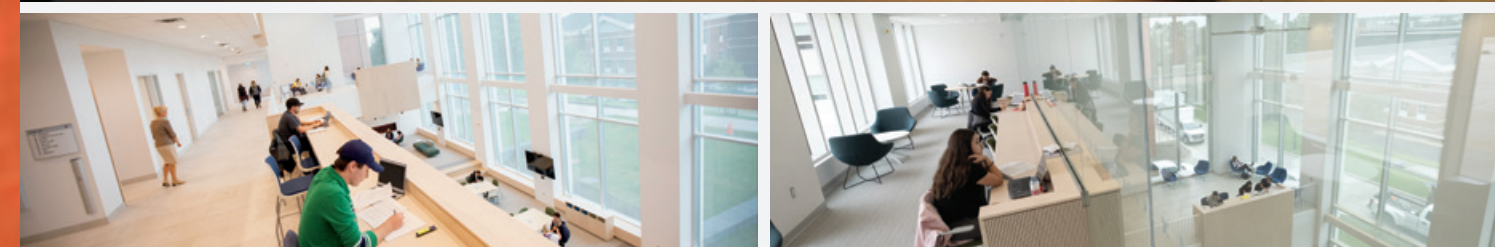

8

Become tomorrow's leaders, today.

StFX creates leaders.

Since StFX was founded in 1853, our small university has made a large impact on Canadian political, business, and community leadership. StFX graduates have become prime ministers, premiers, members of parliament, Supreme Court justices, CEOs of global corporations, and celebrated community change agents.

Discover how StFX can help you become the leader you are meant to be.

THE BRIAN MULRONEY INSTITUTE OF GOVERNMENT:

Canada's only undergraduate public policy and governance institute

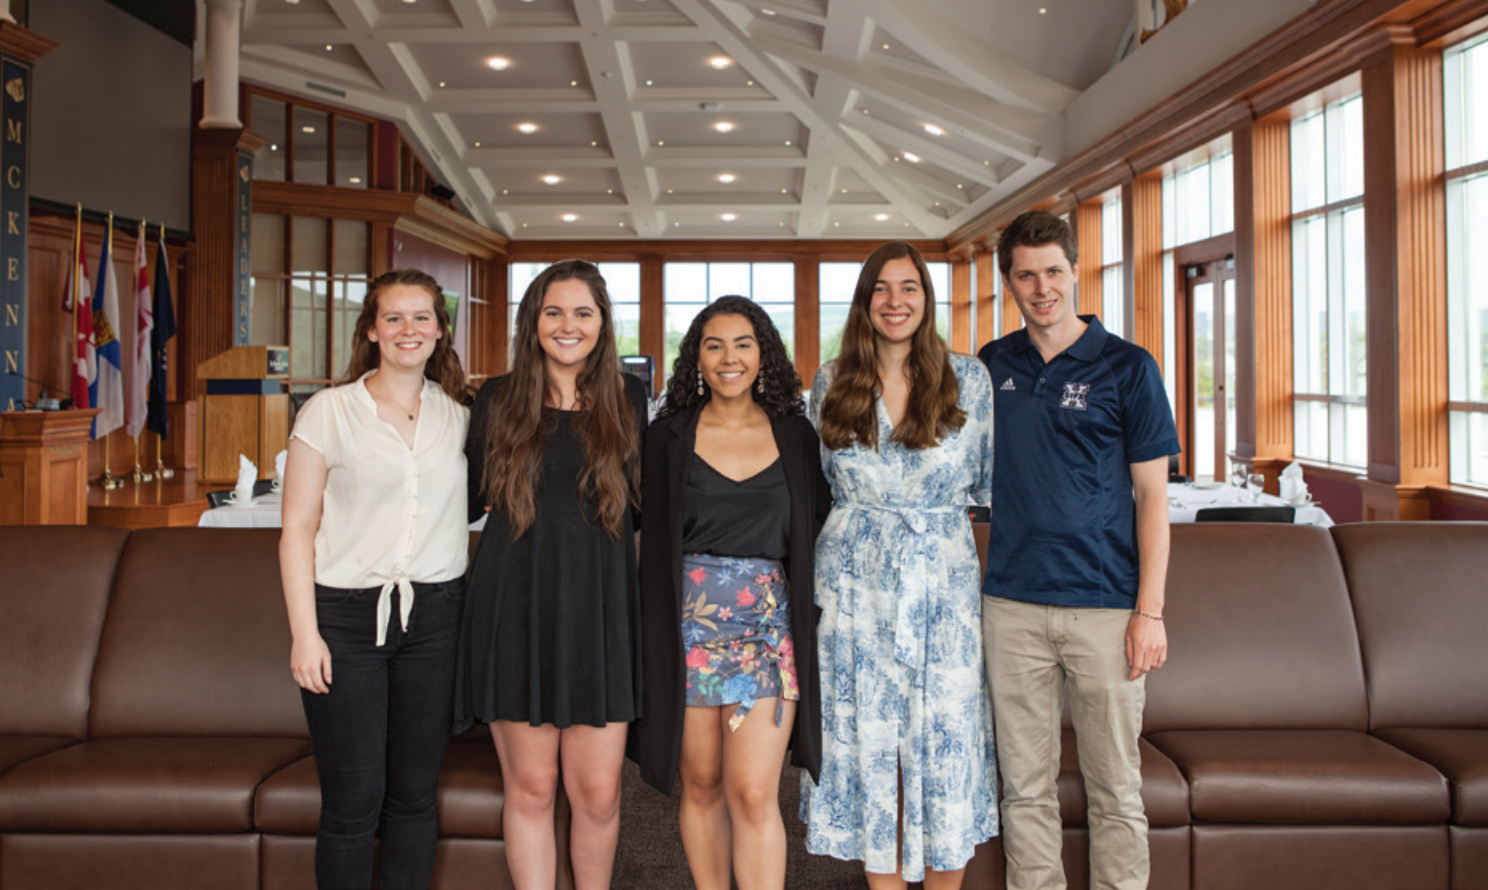

Want to learn what makes governments tick? Want to learn the ins-and-outs of smart public policy? **You've come to the right place.**

StFX is home to the Brian Mulroney Institute of Government and Mulroney Hall. Named in honour of StFX graduate and Canada's 18th Prime Minister, the Right Honourable Brian Mulroney, Mulroney Hall - one of our primary teaching facilities - is a state-of-the-art centre featuring the newest technologies. The Brian Mulroney Institute of Government offers students immersive opportunities to learn how transformative leadership meets effective public policy, creating lasting and sustainable global change.

THE FRANK MCKENNA CENTRE FOR LEADERSHIP:

The go-to place for leadership development in Canada

StFX's Frank McKenna Centre for Leadership equips aspiring leaders like you with the skills you need to make a difference in the world. Take part in leadership summits, engage in community-focused projects, and learn from guest lecturers and our annual scholar-in-residence about how to unlock your potential as a leader. The McKenna Centre also offers student grants and bursaries to pursue community-focused research and practical leadership initiatives of your own choosing. This is a place of action—forming leaders who are effective, innovative, and ethical. Initiatives at the Frank McKenna Centre for Leadership are open to all students across all programs and faculties at StFX.

THE COADY INTERNATIONAL INSTITUTE:

Shaping global leaders for global change

Since 1959, the world-renowned Coady International Institute has equipped local and global leaders with the tools for sustainable and equitable community development. In its 60-year history, more than 7,000 leaders from 130 countries have graduated from the Coady Institute's professional development and education programs.

The Coady International Institute was formed based on StFX's strong commitment to fostering social awareness of global issues, and our history of working to create lasting, sustainable community change.

Become a Global Citizen

StFX graduates are engaged, socially-minded citizens.

We know that you are not content to watch the world pass you by. At StFX, you will have the chance to jump in and use your newfound skills to bring change and build the type of world you want to live in.

Here are just some of the opportunities you'll have to **expand your horizons**:

StFX has over
40
global partnerships
for study around
the world

Service Learning: Experiential learning, unleashed

Enrich your academic learning by getting involved in the community! Service Learning connects students with community leaders to help solve real-world challenges, giving you an opportunity to apply what you're learning—while you're learning it.

DISCOVER SERVICE LEARNING AT STFX:

- Immersion: Intensive service learning projects that take place off-campus—often internationally.
- Course-based: Courses that feature service learning assignments, typically in the community.
- Student society: This extra-curricular society organizes local service learning initiatives. All students welcome.

Learn more at stfx.ca/service-learning.

StFX was the first university in Canada to offer service learning!

International Exchange

Springtime in Buenos Aires? A winter in Bangkok? See the seasons change in Stockholm? Absolutely! Studying abroad will broaden your horizons and open the door to unforgettable, life-changing experiences.

Learn more at mystfx.ca/international-exchange.

StFX enjoys a top reputation with employers for producing exceptional graduates

A Member of the Maple League of Universities

An extraordinary way of learning

As a dynamic group of four extraordinary universities, StFX, Mount Allison, Bishop's and Acadia are demonstrating what true collaboration means for an exceptional student experience.

What does this mean for you? Working together as the Maple League, we will offer you broad educational, cultural, and social opportunities that complement your studies. These include team-taught courses delivered at multiple campuses, live-streamed guest speakers, and extra-curricular activities.

Previous Maple League collaborative courses have included:

- Sustainable Food Systems and Community Development
- Gender and Genre: Unpacking the Popular
- Intro to Mi'kmaq language and culture
- The Philosophy of Sex and Love
- Sociology of Criminal Justice

Learn more at mapleleague.ca.

Cooperative Education

Earn practical work experience in your field, before you graduate

Gain valuable industry insight and contacts, as well as a year or more of paid, professional work experience that also counts as 3 credits towards your degree. You can work in locations across Canada, the US, or abroad while earning income and credit toward your degree.

Co-ops are available in the following programs:

- Bachelor of Business Administration (All majors)
- Bachelor of Science: (Biology, Computer Science, and Math)
- Bachelor of Science in Human Nutrition
- Bachelor of Arts: (Computer Science and Math)
- Bachelor of Arts and Science in Health
- Bachelor of Arts and Science in Climate and Environment
- Post Baccalaureate Diploma in Enterprise IT Management
- Master of Applied Computer Science (MACS)

Learn more at stfx.ca/co-op.

Areas of Study

StFX is proud to offer innovative, immersive programs across all of our faculties of study. You can choose which faculty or degree you're most interested in, and from there explore options for majors, minors or concentrations (although you don't need to choose majors and minors right away.)

Each of our programs have specific admissions requirements, which you can review starting on page 38.

93%
Student Satisfaction

FACULTY OF ARTS

BACHELOR OF ARTS

- Actuarial Science (major, advanced major, or honours)
- Anthropology
- Aquatic Resources
- Art History (minor only)
- Catholic Studies
- Celtic Studies
- Computer Science
- Development Studies (joint major, joint advanced major, or honours with subsidiary)
- Economics
- English
- French
- History
- Mathematics and Statistics
- Music
- Philosophy
- Political Science

- Psychology
- Religious Studies
- Sociology
- Studio Art (minor only)
- Women's and Gender Studies

BACHELOR OF ARTS IN APPLIED FORENSIC PSYCHOLOGY

Study the application of Psychology within the criminal justice and mental health systems, including traditional courses and practica placements that prepare you for graduate school or employment in numerous fields.

BACHELOR OF ARTS IN HUMAN KINETICS

Preparation for fields including health and fitness, sports-related media, coaching, education,

sport history, sport management, sport philosophy, and sports psychology.

BACHELOR OF ARTS IN PUBLIC POLICY AND GOVERNANCE

How and why do governments make the decisions they do? What makes good public policy? Study public affairs and leadership, and gain insight into how governments address local and global public issues.

BACHELOR OF MUSIC

A degree including courses in composition, small and large ensemble arranging, and modern jazz styles.

BACHELOR OF ARTS—First Year Experiences

HUMANITIES COLLOQUIUM

What makes humans, human? In this first-year arts option, students take Philosophy, English and History, taught collaboratively as if they were a single course. Learn from the greatest teachers, like Plato, Sophocles, Aristotle, The Bible, The Qur'an — and many others.

SOCIAL JUSTICE COLLOQUIUM

A first-year arts option where students enroll in dedicated classes of Anthropology, Global History and Women's & Gender Studies. Explore how social change movements have influenced our society, and enrich your classroom work with local service learning projects.

FACULTY OF SCIENCE

BACHELOR OF SCIENCE

- Actuarial Science (major, advanced major, or honours)
- Aquatic Resources
- Biology
- Chemistry
- Computer Science
- Earth Sciences
- Mathematics and Statistics
- Physics
- Psychology
- Advanced major and honours options in Economics

BACHELOR OF SCIENCE IN APPLIED FORENSIC PSYCHOLOGY

Study the application of Psychology within the criminal justice and mental

health systems, including traditional courses and practica placements that prepare you for graduate school or employment in numerous fields.

BACHELOR OF SCIENCE IN HUMAN KINETICS

Preparation for careers in health and fitness, biomechanics, motor control or exercise physiology, education, physiotherapy, athletic therapy, or medicine.

BACHELOR OF SCIENCE IN HUMAN NUTRITION

Preparation for careers in nutrition, dietetics, and food management; students may meet the requirements for the Integrated Dietetic Internship program.

BACHELOR OF SCIENCE IN NURSING

Preparation for nursing in both urban centres and rural community settings.

BACHELOR OF SCIENCE WITH DIPLOMA IN ENGINEERING (4 yrs)/DIPLOMA IN ENGINEERING (2 yrs)

Studies offered in chemical, civil, electrical, environmental, industrial, materials, mechanical, and mineral resources disciplines; diploma graduates can complete a Bachelor of Engineering degree at Dalhousie University, or any engineering degree-granting institution outside Nova Scotia.

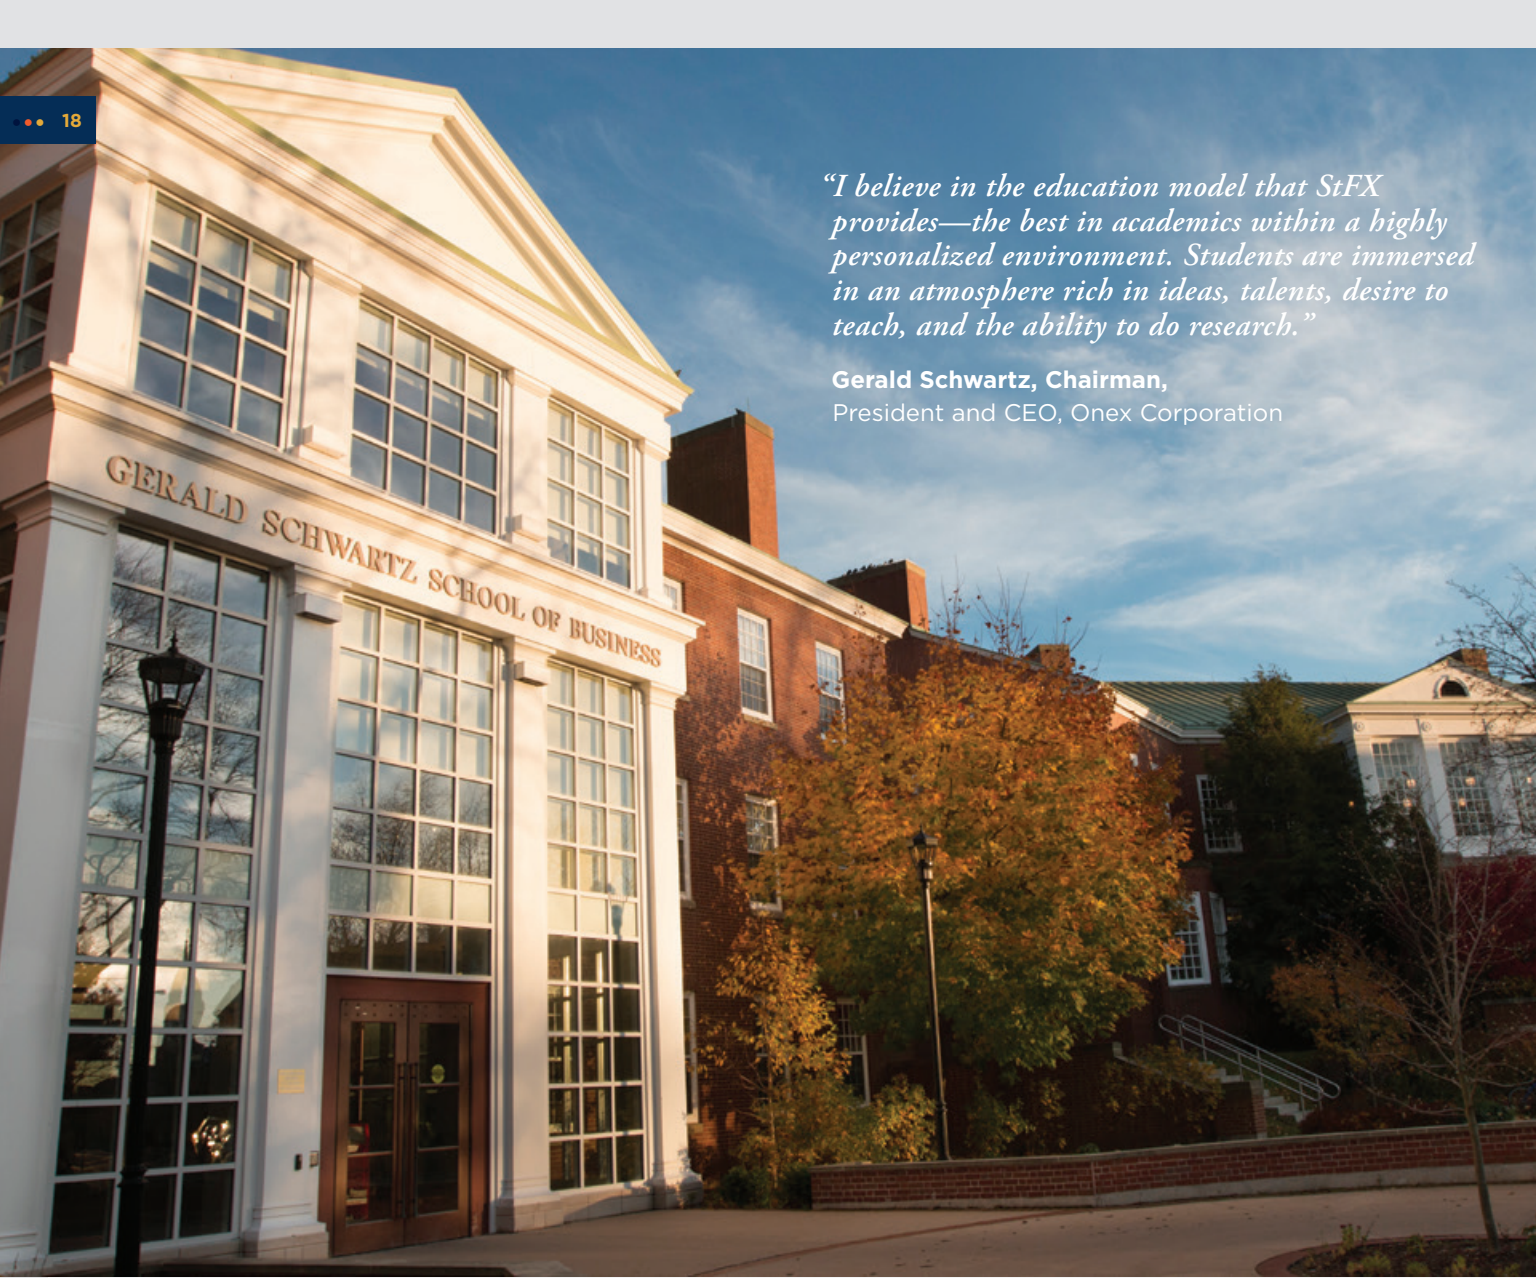

Bachelor of Arts & Science

CLIMATE AND ENVIRONMENT

The force of climate change requires a global response that addresses both scientific realities and contributing social factors. This degree will examine the physical, biological and chemical composition of our world, our societal relationship with nature, and how the Earth's energy balance affects our environment.

HEALTH

An interdisciplinary approach to health studies, which draws on scientific, social and humanistic fields. Students who study health from joint arts and science perspectives will have a balanced understanding of the interrelated nature of health, including medical, social, ethical and cultural factors.

"I believe in the education model that StFX provides—the best in academics within a highly personalized environment. Students are immersed in an atmosphere rich in ideas, talents, desire to teach, and the ability to do research."

Gerald Schwartz, Chairman,
President and CEO, Onex Corporation

34
Students per
class on average

GERALD SCHWARTZ SCHOOL OF BUSINESS

StFX's Gerald Schwartz School of Business is known to produce some of the world's most influential business and industry leaders. Whether it's delving into the world of international business, human resources, finance, marketing or accounting, the analytical and technical skills you will learn will prepare you for whatever you have planned next.

Scholarships and bursaries valued in excess of
\$1,000,000
are awarded to Business students each year

**BACHELOR OF BUSINESS
ADMINISTRATION**

- Accounting
- Enterprise Systems
- Entrepreneurship
- Finance
- International Business
- Management and Leadership
- Marketing
- Joint honours in Business Administration and Economics
- Sport Management (Minor)

FACULTY OF EDUCATION

BACHELOR OF EDUCATION (2 YRS)

Offering an Elementary and Secondary focus, specializing in:

- | | |
|----------------|--------------------|
| Business | Mi'kmaw |
| Drama | Music |
| English | Physical Education |
| Family Studies | Sciences |
| French | Social Studies |
| Gaelic | Spanish |
| Math | Visual Art |

**FACULTY OF EDUCATION—
GRADUATE STUDY**

- Master of Adult Education
- Master of Education
- PhD in Education

Please note that all programs with the Faculty of Education require at least a bachelor's degree as a prerequisite for entry.

“My journey at StFX has shaped me both personally and professionally, and I am so honoured to be part of this community. And because StFX is a small school, I think it is easier here to meet the goals you set for yourself and make the most of what university life has to offer.”

Outstanding Faculty:

“The professors here are some of the nicest I’ve ever had. They are approachable, their knowledge is impeccable, and they will go the extra mile to help you.”

Eshitha Chitla

Hometown: Hyderabad, India

Program: Master of Applied Computer Science

On Campus:

- Communication Representative, International Student Society (2020-21)
- Member of the English as a Second Language (ESL) Friendship Café within the community of Antigonish

“When I came to StFX, I had a very narrow view of who I was and what I wanted to achieve. My time here opened my eyes to a world of possibility, and I could have hardly imagined where it has taken me.”

What's next:

Liam is attending the University of Oxford after being awarded the prestigious Rhodes Scholarship in 2019. Only 11 Canadian students are awarded this scholarship each year.

Liam Elbourne

Grad Year: 2019

Degree: Bachelor of Business Administration,
Joint Honours in Business and Economics

On Campus:

- Captain of the StFX Men's Soccer Team
- President of the StFX German Society
- Active volunteer within the StFX and Antigonish communities

Campus Life

Is it any wonder so many students choose to call our campus their home?

90%

of first-year students
live on campus
(and approximately 50%
of all students)

Want to live with other
students who share
your particular
academic interests
or lifestyle values?

Discover Living Learning Communities,
a new kind of residence experience:
stfx.ca/LLC

Living in Residence

A community like nowhere else

Make new friends? Discover new experiences? Share a few laughs along the way? Check, check, and check.

Our residences are more than just buildings. They embody StFX's legendary community spirit. Here, you'll live and learn alongside students like you and find a place where you belong.

Support in residence: Each residence is home to Community Advisors and Hall Directors, student staff members who can answer questions and provide any support you need. **Learn more at stfx.ca/residence.**

We are proud to feature a full-service STARBUCKS, located in the heart of campus.

Dining on Campus

Whether you are eating in our main dining hall or grabbing a quick bite at one of the many cafés across campus, you can count on made-to-order dishes and your favourite meals, served fresh daily.

SMALL CAMPUS, PLENTIFUL OPTIONS:

- Morrison Hall (StFX's main dining hall with full-service dining and grab-and-go meals)
- Bloomfield Café (full-service dining, grab-and-go meals)
- Keating Centre Café (grab-and-go meals)
- Mulroney Hall Café (grab-and-go meals)
- Mount Saint Bernard Café (grab-and-go meals)
- Starbucks (located in Morrison Hall.)

MY KITCHEN

Craving a taste of home? Want to practice your cooking skills? My Kitchen is a dining option where we provide all the ingredients and supplies, but you do the cooking. Make your favourite dish, your way!

INTERNATIONAL FLAVOUR

Our food service team hosts a number of international cuisine nights throughout the academic year. These delicious evenings are feasts for your taste buds, and a chance to discover new favourite foods.

1 in 4
students are employed
at StFX—it's a great way
to cover tuition costs!

Supporting Your Success

University can be challenging. StFX offers a number of student supports to help you meet all of your personal and academic goals:

FACULTY AND STAFF SUPPORT

Our exceptional faculty and teaching staff are invested in your success and want to help you reach your academic goals. Get to know them and reach out for support if you need it. They are happy to help.

ACADEMIC ADVISING

Our advisors provide helpful advice if you have questions about meeting all of the program requirements for your degree, declaring or changing your major, and much more. mystfx.ca/academic-advising

STUDENT SUCCESS CENTRE

Our instructors will help you build the tools you need to succeed in your courses. Want to find a tutor? Brainstorm ideas? Learn good study habits? We can help you. mystfx.ca/student-success

HEALTH & COUNSELLING

Our team offers students a range of physical and mental health care services, including individual and group counselling. We pride ourselves on offering a warm, welcoming, respectful, and inclusive environment. mystfx.ca/health-and-counselling

TRAMBLE CENTRE FOR ACCESSIBLE LEARNING

Helping students with disabilities meet their academic goals. mystfx.ca/accessible-learning

DIVERSITY ENGAGEMENT CENTRE

The Diversity Engagement Centre is home to advisors who offer support for students who identify as Indigenous, Black, or 2SLGBTQIA+ (and their allies.) It is also home to StFX's Manager of Human Rights and Equity. mystfx.ca/diversity-engagement-centre

KIKNU INDIGENOUS STUDENT CENTRE

Meaning 'our home' in English, the Kiknu Indigenous Student Centre is a safe space for Indigenous students and their families. The centre fosters an environment that promotes friendship and the journey toward reconciliation, while supporting Indigenous student success and overall wellbeing. mystfx.ca/indigenous-student-centre

SPIRITUALITY

StFX honours all students' spirituality and beliefs. We offer an ablution room, multi-faith prayer spaces, and chaplaincy services. mystfx.ca/chaplaincy

StFX Athletics & Recreation

StFX students lead active lives, with free access to StFX recreation facilities and programs, including:

- Daily activities like swimming, skating, basketball and racquet sports (to name a few)
- The StFX campus fitness centre
- Intramural sports
- Club sports

We are also home to 12 Atlantic University Sport (AUS) varsity teams, and regularly host games on campus. Come cheer StFX's blue and white! Admission is free to most games with your student ID card.

Learn more at GoXGo.ca.

100+
Student clubs
and societies
on campus

Clubs & Societies

The environment. Politics. Music. Photography. Entrepreneurship. You name it, we've got it. We have approximately 100 campus clubs and societies, and if you don't find what you're looking for you can launch your own!

Learn more at stfx.ca/societies.

1

Get outside! The Antigonish area boasts many walking, hiking, biking and cross-country skiing trails, including Keppoch Mountain, just 15 minutes outside of town.

6

Visit the Farmers' Market. Snack on some fresh, locally-sourced food at the weekly Antigonish Farmers' Market, just steps from campus.

2

Vibrant Culture. Each July, Antigonish hosts the Highland Games—a celebration of Scottish and Gaelic culture. You can also visit the vibrant Paqtn'kek Mi'kmaw Nation and the proud Acadian community of Pomquet, each a few minutes outside of Antigonish.

3

Grab a Coffee. Downtown Antigonish features many hip, quaint cafés. Catch up with your new friends over a hot drink.

TOP 10

things to do in
Antigonish

7

Head to the Theatre. StFX is home to Theatre Antigonish, a professionally-led community theatre organization. They stage a number of shows during the year.

4

Swim in the ocean. You're only a few minutes away from beautiful beaches and the waters of the Atlantic Ocean. Staying for the summer? Head to the beach!

8

Live Music. Jazz, Celtic, folk, classical, and pretty much everything in between. Antigonish has a bustling live music scene for you to discover.

9

Pizza. Antigonish is passionate about its pizza. There are a number of great pizza shops close to campus. Everyone has their favourite—time to find yours!

5

Pubs and Restaurants. Fancy a night out? Antigonish has many options, ranging from casual to high-end dining.

10

Food Trucks. We have a busy food truck scene! Parked throughout Antigonish, you'll find options for Asian cuisine, delicious burgers and fries, and even wood-fired pizzas.

Admissions to StFX

Applying is quick and easy, and we encourage you to do so as soon as you are ready.

Step 1 Complete your application online at stfx.ca/apply.

Step 2 Submit your transcripts.

Once received, we aim to have an admissions decision made as quickly as possible!

Students from High School in Nova Scotia

Provide your Nova Scotia Provincial Student Number (PSN) at the time of application for StFX to access your transcript through *My Transcripts*.

Other Canadian, International, and all Transfer Applicants

You will need to request your transcript be submitted to StFX officially by your secondary school or post-secondary institution by email (PDF format) to admit@stfx.ca or by mail to the Registrar's Office:

Registrar's Office—Admissions
2329 Notre Dame Avenue
Antigonish, Nova Scotia B2G 2W5

Questions?

Contact Admissions by phone at 1.877.867.7839 or by email at admit@stfx.ca.

For admissions information for students with disabilities, please contact the Tramble Centre for Accessible Learning at 902.867.5349 or email tramble@stfx.ca.

General Admission Requirements

For high school students, the minimum requirements include an overall average of 70% in Grade 12, with no grade below 65% in each of the required subjects. Admissions to limited enrolment programs is competitive, meeting the minimum average does not guarantee admission.

All applicant types are welcome to apply. Applicants who have studied at the College or University level must submit all transcripts for evaluation. The University may grant transfer credits to a student who has attended another accredited college or university. Applicants who have not met the normal admission requirements may be considered.

Out of Province Applicants

If you are a high school student applying from outside of Nova Scotia, please see stfx.ca/highschool for required equivalent courses for admission.

Early Acceptance

Decisions on applications will be made when a transcript has been received. Admission consideration will be given with Grade 11 courses that satisfy the admission requirements of the program applied to. When Grade 12 grades are received for an applicant who did not receive early acceptance, they will be re-considered for admission.

International Baccalaureate

Students who complete the International Baccalaureate (IB) Diploma with a minimum score of 24 will be considered for admission. Students can submit predicted results for admission and scholarship purposes, the minimum grade requirement for any subject is 3. Students who achieve a score of 30 or higher on the IB Diploma, with a score of 5 on all higher level and standard level courses, will be granted up to 30 transfer credits.

Advanced Placement

The Advanced Placement (AP) program is accepted for admission on the same basis as Grade 12 academic criteria. Students who have completed courses in the AP program may be granted transfer credit for individual courses when a grade of 3 or higher has been achieved.

Bachelor of Science in Nursing

Additional admission requirements and application dates for the Nursing program are posted at stfx.ca/nursingadmission. Successful completion of CASPer is mandatory in order to be eligible for admission to the program.

Scholarships

To be considered for a major scholarship you must submit a complete admissions application to StFX by March 1. You must also meet all criteria for any scholarship with additional application requirements. For complete terms and conditions, and to see specific criteria for individual scholarships, visit stfx.ca/scholarships.

StFX offers over \$5 million in merit-based scholarships and financial aid each year. We are proud to offer scholarships applicable to all students, as well as awards specific to students from particular regions or studying in particular programs. Visit our website for full details.

StFX National Entrance Scholarship Program

Entrance Scholarships are awarded based on a student's admissions average. Students with an average of at least 85% are typically considered for an award, which in previous years have ranged from \$5,000-\$12,000.

StFX Major Scholarships

Major scholarships typically include additional selection criteria or may be specific to students from particular regions. They range from one-time awards to renewable scholarships worth up to \$32,000 (payable over four years.)

Gerald Schwartz School of Business Scholarships

Students at StFX's Gerald Schwartz School of Business will be eligible for scholarships worth up to \$80,000 (payable over four years)—enough to cover tuition, books, residence, and meal costs for a typical four-year degree. A number of scholarships at various ranges are available. For information on business scholarships, visit business.stfx.ca/scholarships-bursaries.

Mulroney Institute of Government Scholarships

The Mulroney Institute of Government offers students in its Public Policy and Governance (PGOV) Program scholarships worth up to \$60,000 (payable over four years.) It also offers paid research and employment internships, and awards to support StFX PGOV students pursuing an international exchange. For information on Mulroney Institute scholarships, visit bmig.ca/scholarships.

For more information on StFX's scholarship program, visit stfx.ca/scholarships.

\$5,000,000

StFX offers over \$5 million in merit-based scholarships and financial aid each year.

Tuition

Estimated First Year Costs

	Nova Scotia Students	Other Canadian Students
Full-time Tuition and Incidental Fees*	\$9,185-9,575	\$10,468-\$10,858
Health and Dental Plan	\$475	\$475
Textbooks and supplies*	\$1,250	\$1,250
Residence and Meal Plan**	\$9,390-\$15,970	\$9,390-\$15,970
TOTAL	\$20,300-\$27,270	\$21,538-\$28,553

Tuition and incidental fees are based on approved rates for the 2021-22 academic year. These rates are subject to change for subsequent years. For a full breakdown of tuition, incidental fees, residence and meal plan costs, visit stfx.ca/tuition-fees.

*Tuition fees, as well as costs for textbooks and supplies, will vary by program.
**Residence and meal plan fees vary based on room type and desired meal options.

Financing Your Education

- It's important to start thinking about how to finance your education. Some options to consider:
- **Bursaries:** StFX's bursary program offers students over \$500,000 each year in financial support. We also maintain an extensive external awards website. Visit stfx.ca/bursaries.
 - **Student Loan:** StFX participates in student loan programs with governments in both Canada and the United States. It's never too early to investigate your student loan options!
 - **Campus employment:** Approximately 1 in 4 students are employed on campus each year. A great way to cover costs!

UNIVERSITY

Discover StFX

The best way to decide if we're for you?
Come see us for yourselves!

Whether in-person or virtually, a campus tour will give you a behind-the-scenes look at all our campus has to offer, including residences, classrooms, common areas, recreation facilities, our meal hall—and more. Led by a StFX student, our in-person tours are your chance to get the insider information about the highlights and hidden gems of our campus, and hear first-hand what it is like to live and learn at StFX.
