**For over 200 years,  
McGillians have  
made history, blazing  
new trails in virtually  
every field.**

McGill attracts some of the brightest minds from around the world. Our students win more national and international awards on average than their peers at any other Canadian university.

This success stems from a simple philosophy: we believe that ideas are made to be challenged. At McGill, we inspire each other to dream big, to try our best, and to achieve more than we ever thought possible.

# Discover Montreal

An aerial night photograph of a vibrant urban festival in Montreal. The scene is dominated by modern architecture, including a prominent brick building with a grid of illuminated windows displaying various figures. To its right is a tall, blue glass skyscraper and a building with a distinctive red, angular facade. The foreground is a large, open plaza filled with people, colorful lights, and festival structures. A Starbucks logo is visible in the bottom left corner.

## Safest city to visit in the world

(BHTP 2022)

### Affordable, multilingual, creative and bursting with culture

Montreal is one of the safest and most affordable cities in the world. Ranked as **Canada's #1 student city**, and among the best internationally, Montreal is the perfect place for an unbeatable student experience.

### Montreal offers an incredible experience year-round

Explore Montreal's 21 vast city parks in the spring with friends. Hike the stunning Mont Royal mountain in the fall (just steps from our Downtown campus!) or go ice skating on McGill's lower field in the winter. Attend one of the 100+ music and cultural festivals taking place across the city in the summer. No matter what sparks your passion, you'll be engaged and inspired here.

# Unique campuses to explore

---

From the heart of the city, to a serene campus surrounded by nature

## Downtown Campus

Modern buildings, historic architecture and expansive green spaces are nestled in the heart of Montreal's main shopping district. Our Downtown Campus is a stunning place to explore – with cafés, world-class restaurants and the city's best nightlife just steps away.

## Macdonald Campus

Just 40 minutes from the Downtown Campus, the stunning Macdonald Campus sits on 1,600 acres of waterfront property. "Mac" mixes high-tech and nature, with computerized greenhouses and culinary laboratories sitting next to bike trails and Canada's largest arboretum. A free shuttle bus connects Mac to Downtown.

# Life in residence

## Build community, make friends and get involved

For many first-year students, moving away from home is a big transition. McGill's residences offer a respectful and supportive living community where you can flourish personally, socially, and academically. All first-year students are guaranteed housing if they apply for it.

With great housing options available right on campus, living in residence can help you ease into university life, all while being steps away from your classes and friends.

## Faculty and School associations

Get involved with students from your program by joining a student association. Associations plan events, advocate for students' interests, and offer great opportunities to stay engaged outside of the classroom.

## Learn a new language

There are many ways to learn French for free in Quebec – from government-sponsored programs, to online and peer learning.

McGill offers tons of language classes for credit, including French for undergraduates. Whether you're new to a language or looking to improve your skills, we've got you covered.

Find your student  
association

McGill students are known for being pros at balancing work and play. From clubs and social events to student associations and design teams, you'll find a rich campus culture here.

## Find community and support

**Black Students' Network** offers social and political events, by and for Black students. They also host discussions and provide mentoring and resources.

**Queer McGill** offers social, political and informational support services by and for queer students, including events and resources for 2SLGBTQ+ students.

**First Peoples' House** provides a sense of community and a voice to Indigenous students, including those who have left their home communities to pursue higher education. They offer academic support, scholarships and bursaries, mentorship, and also host student groups.

**Student Accessibility & Achievement** offers services for students with disabilities, helps to facilitate the inclusion of diverse learners, and supports students who have faced barriers to education, including youth in care.

**International Student Services** provides support for international, exchange and visiting students through all stages of their McGill journey. This includes obtaining and renewing immigration documents, health insurance, and work permits.

**Student Wellness Hub** provides access to clinicians and a variety of health and wellness resources. Their specialized team includes nurses, doctors, psychiatrists, counsellors and dietitians.

**Office of Religion and Spiritual Life** offers workshops, events, publications and a free lounge and meditation space. All students are welcome, from any faith and religious denomination – including those with no religious affiliation!

## **Amara Regehr, Civil Engineering, class of 2021**

Amara spent two summers travelling North America, measuring CO2 emissions from abandoned oil and gas wells. Working with Prof. Mary Kang, as part of the Summer Undergraduate Research in Engineering (SURE) program, Amara learned how to use a complicated modelling software, and co-authored a paper in an

influential academic journal. This hands-on experience helped her stand out. Amara landed an internship with engineering firm CDM Smith in her final year at McGill, and was offered a job with the company in Boston after graduating.

# How to apply in 7 easy steps

---

## Know your deadlines →

Mark your calendar with important dates regarding your application.

## Decide what to study →

Use our program finder tool to explore over 300 undergraduate programs and find your best match.

## Make sure you're eligible →

Admission to most programs is based on grades only. Take time to explore:

- How your academic record is reviewed
- The grades that gained entrance to your program in previous years
- The prerequisites for your program
- The application protocol for Indigenous applicants

## Get ready to apply →

As of October 1, you can apply. Complete each step of the pre-application to-do list, including:

- Understand the deadlines that apply to you
- Prepare your academic documents
- Identify supporting documents you'll need to provide

## Submit your application →

Review our tips on how to apply and see what the application fees will be. Remember that you can apply to two programs.

## Apply for an entrance scholarship or bursary →

The deadline to apply for major entrance scholarships and bursaries is usually a week after your application deadline. You should also explore grants and other funding opportunities. Merit-based scholarships are awarded automatically.

## Submit documents and keep in touch →

You can track your application online and learn which supporting documents you need to upload.

Check out our application guide to explore:

- How to follow your applications status
- Supporting documents you may need to prepare
- How to submit supporting documents
