Mount Allison is hosting a **virtual open house** to make sure students still get all the information they need before making a decision.

This is a 4-day event (October 13-16) where you can connect with our faculty, staff, and students to learn about what life here is really like. [Register](#) to participate and to be eligible for our \$5,000 residence award.

Meet your Admissions Counsellor:

Saniya Korhalkar - Recruitment & Admissions Counsellor

Saniya came to Mount Allison from Banff, AB and studied commerce, psychology, and international economics and business. During her time at Mount A, Saniya was involved in a broad range of organizations and enjoyed staying connected with the community. She is always excited to chat about entrepreneurship, getting involved on campus, or the transition to the East Coast life.
