The University of Manitoba campuses are located on original lands of Anishinaabeg, Cree, Oji-Cree, Dakota, and Dene peoples, and on the homeland of the Métis Nation. We respect the Treaties that were made on these territories, we acknowledge the harms and mistakes of the past, and we dedicate ourselves to move forward in partnership with Indigenous communities in a spirit of reconciliation and collaboration.

At the University of Manitoba, we are committed to Indigenous achievement and reconciliation, and to equity of access and opportunity for all U of M students, faculty and staff.

We welcome you to a diverse and inclusive learning environment where everyone—from all backgrounds and perspectives—is respected, valued, and can enjoy an exceptional educational experience.

During his international exchange at the Swedish University of Agricultural Sciences, Andrew Vercaigne has grown a network to benefit his career. A volunteer ambassador for the Faculty of Agricultural and Food Sciences, he gains valuable insight from industry partners: *What are they looking for? What's exciting in the field today?* He's also forging friendships with other students at faculty events as they navigate this evolving profession.

“My advice to students starting university would be to get involved! There are so many great opportunities to meet new people. I have met some of my best friends by getting involved in student groups and participating in faculty events. The people you meet become relationships that you will embrace for the rest of your life and the experiences you have with those friends will teach you even more.”

ABOUT THE U OF M

THE UNIVERSITY EXPERIENCE

80% OF CANADA'S
TOP JOBS REQUIRE A
UNIVERSITY DEGREE*

A post-secondary education opens many doors, and is a great way to figure out where your passion lies. As a U of M student, you will be encouraged to think critically, test new theories and gain valuable and transferable skills.

- A university education is your chance to meet faculty and students from around the world and explore unique perspectives.
- Apply the knowledge and experience you gain at the U of M in your future career, no matter what field you choose.
- From 2009-2019, over 1.7 million new jobs were created for university graduates—almost twice as many as for college and trades graduates combined.[§]
 - University grads can expect their salaries to grow roughly 70 per cent over their first eight years of working.[¶]
 - 87 per cent of Asper BComm(Hons) graduates were employed full-time after graduating.
 - Across Canada, 94 per cent of graduates with a degree in agriculture and 88 per cent of graduates with a degree in food science are employed in related sectors within two years of graduation.
 - Arts grads make good money! For example, history graduates earn on average, above \$65,000 annually.[°]

FIND YOUR VOICE

AND THEN EMPOWER OTHERS

Fifth-year Science student Kirsten Fleury found a supportive community on campus by getting involved as a student researcher and joining student groups. Previously female co-president and now Treasurer of the Metis University Students Association, she is also an aspiring family physician set on breaking down social inequalities in health care. She realized how important it is to put her own well-being first, having faced difficulties with mental health.

“I struggled with balancing the stress of life, school and health. It’s important that as students we learn it’s okay to not be okay. Reaching out for help, and getting involved in my culture were the best decisions I made. I’m thriving this year, now that I’ve learned new coping skills, management tools and have the support of the Indigenous community.”

STUDENT EXPERIENCE

YOUR COMMUNITY

As a U of M student, you will be part of a culturally rich and diverse community where you have the opportunity to meet faculty and students from around the world, explore unique perspectives and take on new pursuits.

INDIGENOUS COMMUNITY

The U of M is home to over 2,600 First Nations, Métis and Inuit students, staff and faculty. Here, you will have the opportunity to learn in a way that celebrates your culture and history. At the heart of campus is Migizii Agamik-Bald Eagle Lodge, which stands as a central gathering place where students, staff and community share and achieve. Visit Migizii Agamik to take part in Fireside Chats, the Annual Elders Gathering, Neechiwaken Indigenous Peer Mentor Program or to meet with an Indigenous student advisor.

- More than 300 Indigenous students graduate each year.
- The Qualico Bridge to Success program enhances the first-year experience for Indigenous students.

STUDENTS WHO PARTICIPATE IN CO-CURRICULAR ACTIVITIES GET BETTER GRADES*

WHY GET INVOLVED?

- Four out of five employers say co-op and internship students are a source of new talent and potential future employees.[§]
- More than half of today's undergraduate students benefit from experiential learning opportunities—such as co-ops, internships and community service-learning—as part of their university education.[‡]
- More than 80 per cent of employers that hire recruits with international and intercultural experiences say these employees enhance their company's competitiveness.[°]

He stepped out of his comfort zone and into leadership roles. Alumnus Carter Wilson went for it when he steered one of the first large-scale, Indigenous business events ever hosted at the Asper School of Business. It allowed him to share an Indigenous perspective—and the unique barriers faced—with non-Indigenous students. And he continued to raise this dialogue in classrooms and bring his leadership to student groups across campus.

You are undecided about which program you want to study.</div><div>3. You do not meet the admission requirements for another program with a direct entry option.</div><div>4. You prefer to work with academic advisors who specialize in the transition from high school to university, and will help you with all your academic planning and support needs.</div></div>
Faculty Direct Entry*	<div><div>1. You are interested in one of the programs that offer direct entry admission.</div><div>2. You are academically strong in the prerequisite courses for this program.</div><div>3. You meet the admission requirements for this program.</div><div>4. You prefer to work with program-specific advisors and access services and supports exclusive to your chosen academic program.</div></div>

* If you don't meet the admission requirements of the direct entry program you have applied to, you will automatically be considered for admission to University 1. Unless you want to be considered for an additional direct entry program (other than University 1), you do not need to submit two applications.

INTERNATIONAL STUDENTS

The University of Manitoba welcomes applicants from around the world. High school graduation is a general requirement for all programs. Specific admission requirements vary by program and country/curriculum.

STUDYING IN MANITOBA

- Job opportunities, a stable economy, and ability to work on or off campus
- The Manitoba Provincial Nominee Program offers the opportunity to immigrate and settle in our province immigratemanitoba.com

NO SATS REQUIRED

ACTs, SATs, essays, class rankings and letters of recommendation are not required for admission purposes. Admission to the University of Manitoba is based on senior level high school grades.

INTERNATIONAL CENTRE

The International Centre provides support to all international students at the U of M. This begins at International Student Orientation, where you will meet new friends, learn how to adjust to life in Winnipeg and find out about specialized international student services.

Programming is available through the International Centre to help you thrive in your first year and international student advisors are available to answer questions on a one-to-one basis. Students can also take part in regular information sessions and year-round events and activities.

WHEN CAN I START?

With three intakes per year, the U of M offers flexible options so you can begin your studies in the fall (September), winter* (January) or summer* (May).

**Select programs only.*

FOLDOUT BACK SIDE

INTERNATIONAL STUDENTS

ENGLISH LANGUAGE PROFICIENCY

English is the language of instruction and communication at the University of Manitoba. Applicants whose first language is not English, or who were born in a country where English is not a primary language, may be required to demonstrate English language proficiency prior to admission. This may be done in one of several ways:

WRITE A TEST

TOEFL IBT: 86 overall band score with a minimum of 20 in each component
IELTS: 6.5 overall band score
CanTEST: min 4.5 (Reading), 4.5 (Listening) and 4.0 (Writing)

QUALIFY FOR A WAIVER

Students may be considered for a waiver by meeting one of the following requirements (as determined by Enrolment Services at the University of Manitoba):

1. Ten consecutive years of residency in Canada or in a country where English is a primary language.
2. Successful completion of a three-year secondary[♦] or post-secondary school program (or any combination of three successful years of secondary and post-secondary education) in Canada or in a country where English is a primary language.

3. Graduation from a Canadian curriculum secondary school with a year 12 English literature grade of 75 per cent or higher. (In Manitoba, students must present two English credits at the 40S level with an average grade of 75 per cent over the two English credits. EAL 40S is accepted as one of the required courses.)
4. Achieve a grade of four or greater on the International Baccalaureate Higher Level English course, or a grade of four or greater on the Advanced Placement English examination (Language Composition; Literature and Composition).

ENGLISH LANGUAGE CENTRE (ELC)

If you meet the academic admission criteria, but do not meet the English language proficiency requirements, we can help. The University of Manitoba can accept you on the condition that you successfully complete Level 5 of the Intensive Academic English Program (IAEP).

The IAEP prepares you for university study by providing you with the language skills necessary to succeed academically. Learn new vocabulary and how to write research papers, deliver academic presentations and more.

Our program features:

- Small classes averaging 12 students
- Dedicated student advising
- Multiple opportunities to transition to university
- Social, cultural and recreational events

Conditional admission to the University of Manitoba is available to students who meet the academic requirements pending successful completion of the IAEP.

Tuition: \$4,400 per term
umanitoba.ca/elc

For a complete list of acceptable proficiency tests and waiver criteria: umanitoba.ca/englishproficiency

[♦] Secondary education must include Grade 12 where appropriate and completion of five course credits per year for each of the three years of study.

Total	\$7,400	\$20,600

Exact fees are not available at the time of publication.

¹ Does not include musical instruments or Dental Hygiene kits.

² Students who are covered under another medical plan may opt-out of the University of Manitoba Students' Union (UMSU) health plan.

³ Students residing outside of the Winnipeg city limits may opt-out of the U-Pass.

⁴ International students will be expected to pay an additional health insurance fee. Visit umanitoba.ca/international/healthinsurance for more information.

PAYING YOUR FEES

Tuition fees and booklist information will be available in August, before the start of fall term classes.

umanitoba.ca/admission/finances

Note: Fees are estimated at the time of publication for the 2020-21 school year and are subject to change.

The estimated tuition fees are based on a student in an undergraduate program taking a full course load during the fall and winter terms from September to April. Actual tuition costs for students may be higher or lower depending on their specific choice of courses. Tuition fees for a student's first year in a direct entry faculty/program will be similar to the fees assessed to students in second year and beyond. All fees are listed in Canadian dollars.
