VIEWBOOK 2022-2023

Kwantlen Polytechnic University's five campuses are situated in a region that overlaps with the traditional and ancestral lands of the Coast Salish peoples. We thank them for sharing their land and resources with us in friendship and peace. We honour our name, which the Kwantlen First Nation has graciously shared with us. Kwantlen means "tireless runner" and we strive to always be tireless in our pursuit of knowledge and understanding.

# Discover what is possible. Discover KPU.

## We discovered a lot last year.

We discovered how to teach, work, and study online.

We discovered challenges and hurdles.

And we discovered we're almost always on mute.

It was hard. But we discovered a lot of positives, too.

We discovered our **adaptability**, our **resilience**, our **creativity**. We discovered a stronger sense of collaboration and community. We discovered how to connect and celebrate virtually. We discovered a wealth of new possibilities for our students, grads, faculty, and staff. And we discovered we're more ready than ever before to get back to campus.

## KPU & COVID-19 quick facts

- » IT provided an additional 300 loaner laptops for student use during the pandemic
- » Our instructors quickly shifted to online courses to ensure as few learning disruptions as possible occurred
- » KPU proudly donated supplies (gloves, masks, lab coats) to frontline workers
- » Design faculty and students designed and printed ear savers using a 3D printer
