Hi there!

Thank you for downloading the University of Waterloo information package! We hope that you find this to be a valuable resource as you explore your post-secondary options.

If you're interested in learning more Waterloo, I strongly recommended signing up for our [mailing list](#)!

In addition to the Canadian Admissions viewbook included in your download, you can request any of our faculty, program, or university college brochures [here](#).

We hope that you'll have time to connect with us this fall! In addition to the Alberta Out-of-Province Fairs, there are many ways to learn more about Waterloo. Explore our [list of events](#), and find out what resources are available specifically for out-of-province students (including our Alberta Information Session on October 24!) [here](#).

Curious about what the application process looks like from Alberta? Check out our helpful [how-to-apply video](#), and don't forget to check out our series of videos on [common Admissions questions](#).

If you have any questions, don't hesitate to reach out! You can contact Laura (that's me!) at the email address or phone number below.

All the best, and good luck with your studies!
