There are lots of opportunities to help offset the cost of your education:

- External Scholarships:** To start your scholarship search, visit [canlearn.ca](#), [univcan.ca](#), [scholarshipscanada.com](#) and [yconic.com](#).
- Sponsorship:** If you're a Canadian Aboriginal student, you may be eligible for sponsorship through First Nations band funding, Metis organizations and/or Inuit organizations.
- Summer Employment:** As a TWU student, your summers will be four months long! If you worked 40 hours per week at \$13.85 per hour, you could make a little more than \$8,000 over the summer.
- TWU Student Leadership:** There are leadership roles available for 2nd year students and higher. Leadership grant amounts are based on time commitment and responsibilities. Up to \$5,000.

STUDENT LOANS

A university degree is an excellent investment and many students use loans to help pay for school. It's important to know that loans must eventually be paid back. Make sure you pursue all "free money" options first before relying on a loan.

Government Loan and Grant Program
Financial assistance is available through the government in the form of loans and grants. To learn more or to apply, visit [studentaidbc.ca](#) (BC residents) or [canlearn.ca](#) (other provinces and territories). Apply in early June for studies beginning in September.

Student Lines of Credit
Banks and credit unions offer loans for students in the form of a line of credit. Check with your financial institution for more information.
